## AUTHORS APPROVAL FOR USE OF PERSONAL DATA AND AUTHORSHIP STATEMENT

By signing this form, the below named (co)authors give the Virovitica University of Applied Sciences the approval to verify and process their personal data, which include name and surname, academic title, teaching and/or scientific degree, scientific area, field, branch, affiliation, and email for the purpose of submission of the paper entitled:

\_\_\_\_\_

*title of the paper*

for publication in the journal ET<sup>2</sup>eR - ECONOMICS, TOURISM, TELECOMMUNICATIONS AND COMPUTER SCIENCE.

We, the undersigned, declare that we understand the content of this statement, and are acquainted with the obligations resulting from it, and therefore signing this form willingly. Collected personal data will not be used for other purposes, except for the purpose for which approval is granted.

The below named confirm that they are aware of their right to withdraw the approval for use of personal data and the right to request the termination of further processing of personal data, which does not affect the legality of the processing of personal data done until that moment. Correction of data or notice of withdrawal of approval for use and processing of personal data needs to be submitted to the email address [osobni.podaci@vuv.hr](mailto:osobni.podaci@vuv.hr) or the address of the Editorial Board.

The authors declare that the above mentioned paper is the original paper of the undersigned (co)authors (in order as they appear in the paper), and that:

- 1. The paper has not already been published in any scientific and professional publications.***
- 2. The results of other researches have not been used in the paper without quotation.***
- 3. The paper is written in accordance with the instructions for authors.***
